## **FOREWORD**

---

This is the catalogue for the Third Annual Sale of the Maryland Shorthorn Breeders Association. In this sale Maryland breeders are offering both Scotch and Polled Shorthorns of a quality which would do credit to any state sale.

I do not believe that there is any doubt about the fact that the cattle this year are better than they ever were before. That is because the eastern states, and particularly Maryland, are well adapted to the propagation of good cattle, and no cattle are so well adapted to these conditions as Shorthorns.

Our membership list is growing; our herds are flourishing. We invite you to join with us in carrying the Shorthorn banner forward.

H. L. STRAUS, *President,*  
*Maryland Shorthorn Breeders Association*

**VIRGINIA SUNBEAM** is one of the most beautiful headed cows I have ever seen and comes of a great producing family in Virginia. She is in the sale only because I have too much of her family in my herd. She has produced a nice calf every year and is carrying her third. She was bred on April 14 to Hobby Horse Crown by Aberfeldy Coronet and out of Fassifern Butterfly 9th. The last two I mentioned stood at the very top of Mr. Tate B. Sterrett's herd.

## LOCKWOOD NOTICE

The consignment of Merritt Lockwood's Tuscarora Farm, consisting of 3 heifers and seven cows represents a partial dispersion of the Tuscarora Farm herd. Mr. Lockwood's business affairs demanding more of his time has made it necessary for Mr. Lockwood to cut down the size of the herd.

These cows are all young animals and are all producers. They are in pasture condition and are all with calf to the service of Tuscarora Farms' herd bull, Cherry Hill Royal Mirth.
